

# Introducing The first social network exclusively for Elder Affairs Professionals. MEDICARE SHERPA

NOW EVERY COA, SHINE AND SENIOR CENTER DIRECTOR CAN CREATE A THRIVING, UNIQUE & INTERACTIVE ONLINE COMMUNITY...

*effortlessly!*

**JOIN TODAY!**

**OUR MISSION:** to provide free, unbiased and up-to-date health insurance information, drug price research tools, Medicare Insurance research tools and assistance to Medicare beneficiaries of all ages and their caregivers

### Your community... *create your own network online*

Meet other SHINE, COA and Elder Affairs professionals online today! As you accumulate friends, join other groups and help other members—Medicare Sherpa will reward you with Karma Points. The more you contribute, the more Karma Points you earn... the more your personal status grows.

### Create special-interest discussion groups... *meet in cyberspace*

Create unlimited special-interest groups with Medicare Sherpa and manage them all easily. Add more members to your groups by inviting your friends and hide any group you wish with our unique Privacy Settings.

### Share event photos and videos... *promote your success*

Creating photo albums to share with your peers is as easy as 1-2-3! Get your network to comment on your events. You have total control over your community.

### Nominate a Local Hero for special recognition

Do you know someone who is shattering the myth that advanced age is synonymous with decreased ability? Tell us about those behind-the-scenes champions and unsung heroes who are an inspiration to others and we'll give them the recognition they deserve.
